

# STORY COMPLETION WITH S/SH WORDS

Imagine you are at the seaside for the summer. As you walk along the shore, you notice a ship sailing by and some shells scattered in the sand. Suddenly, you see a shiny object peeking out from behind a shack near the water. As you go closer, you hear a soft shushing sound.

Finish the story using as many S and SH words as you can. Be creative and try to include words like seal, sheep, seat, sheet, shoes, or any other words with the /s/ and /sh/ sounds.
